Our Prayer

Jesus said to the Pharisees: “There was a rich man who dressed in purple garments and fine linen and dined sumptuously each day. And lying at his door was a poor man named Lazarus, covered with sores, who would gladly have eaten his fill of the scraps that fell from the rich man’s table. Dogs even used to come and lick his sores. When the poor man died, he was carried away by angels to the bosom of Abraham. The rich man also died and was buried, and from the netherworld, where he was in torment, he raised his eyes and saw Abraham far off and Lazarus at his side. And he cried out, ‘Father Abraham, have pity on me. Send Lazarus to dip the tip of his finger in water and cool my tongue, for I am suffering torment in these flames.’ Abraham replied, ‘My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented. Moreover, between us and you a great chasm is established to prevent anyone from crossing who might wish to go from our side to yours or from your side to ours.’ He said, ‘Then I beg you, father, send him to my father’s house, for I have five brothers, so that he may warn them, lest they too come to this place of torment.’ But Abraham replied, ‘They have Moses and the prophets. Let them listen to them.’ He said, ‘Oh no, father Abraham, but if someone from the dead goes to them, they will repent.’ Then Abraham said, ‘If they will not listen to Moses and the prophets, neither will they be persuaded if someone should rise from the dead.’

Dear Members of St Joseph’s Family,

School Prayer

Dear Lord,
We ask you to bless St Joseph’s School Community.
We pray that you guide us to be just and to see, listen, speak and act like St Joseph.
May we be inspired by our Founders to be the best that we can be.

May we always keep Jesus at the centre of all we do.
St Emilie Pray for us

Social Justice Sunday
The Catholic Church in Australia celebrates Social Justice Sunday on September 29. This year’s Social Justice Statement is titled: ‘Lazarus at our Gate: A critical moment in the fight against world poverty’. Below is a statement from the Australian Catholic Bishops.

The Australian Catholic Bishops’ Social Justice Statement calls on the Christian community and all Australians to stand in solidarity with our neighbours around the world who are living in conditions of extreme poverty. The title of the Statement comes from the Gospel reading for Social Justice Sunday this year – Jesus’ parable about the poor man, Lazarus, who lies unnoticed at the gate of the rich man (Luke 16:19–31).

In 2000, the world leaders of 189 nations, including Australia, gathered together and committed themselves to tackling global poverty. Their Declaration gave rise to eight Millennium Development Goals (MDGs) to be achieved by 2015. While great progress has been made over the past decade, many of these goals will not be fulfilled: Around the world, a quarter of a billion children still die in childbirth each year and eight million children die annually from malnutrition and preventable diseases. One billion people remain in extreme poverty and 20 per cent of the poorest in the world live in countries near Australia.

‘In our region’, the Bishops say, ‘Australia is the rich man and Lazarus is at our gate.’ Five groups in particular need our support. They are: people who face severe hunger; people who are victims of disaster; Indigenous peoples; people with disability; and refugees and displaced people. The circumstances they face remind us of our obligation to help the world’s poorest and to work to combat poverty wherever it is
found. It is time to renew our commitment to address world poverty, a commitment inspired by the mission of Jesus in his Incarnation and in his gift of the Eucharist. Pope Francis has reminded us of our vocation: ‘Fighting poverty, both material and spiritual, building peace and constructing bridges.

Safety rules - Crossing the Road
Week nine is Safety in Schools week so it is time to remind parents and students about the need to reinforce and practice safety measures when crossing the road.

Firstly, no child under the age of 10 should walk unsupervised to school. This is because younger children have not yet developed the ability to anticipate the speed of approaching vehicles. Because of this, children under the age of 10 have trouble judging the best moment to cross the road, putting themselves at a greater risk of injury.

When walking with your children, please remind them of the safety steps when crossing the road:
- STOP back from the kerb or shoulder if there is no footpath
- LOOK in all directions for approaching traffic
- LISTEN for traffic
- THINK about when it is safe to cross
- When crossing, walk straight across the road: keep LOOKING and LISTENING for traffic while crossing.

For further information, please contact your School Nurse or the Avon & Central Wheatbelt Primary Health Service on (08) 9690 1320.
